Foothill Freeway (I-210) Closures for Pavement Rehabilitation

La Crescenta, La Cañada Flintridge, and Pasadena - The California Department of Transportation (Caltrans) will close lanes, on/off ramps and connectors on the Foothill Freeway (I-210), as part of a pavement rehabilitation project. Residents and local businesses located near the freeway may experience noise, vibrations and dust associated with construction activities. Water trucks will be used to minimize dust during working hours, and equipment movement will be limited to reduce noise from back-up alarms. Motorists should take extra precaution when driving near the I-710 work site since trucks will be hauling concrete materials.

There will be a full closure of eastbound I-210 from Lincoln Avenue/Howard Street off-ramp to Mountain Avenue on **Monday, September 24 11:55 p.m. to 5:00 a.m. Tuesday, September 25** to install overhead signs across the freeway. A signed detour route will be posted for motorists.

Contractors fully closed the northbound lanes of State Route 2 in Glendale/Montrose this week to install a new overhead sign structure. You can view a [time-lapse video](#) of the sign being installed and thread from [Twitter](#) that shows the removal of the old sign structure.
